SAP S/4HANA Implementation at Rosenberger – Go-Live on June 1st, 2026

Dear valued partner,

We will go live with the new SAP S/4HANA system as planned with our Business Go-Live June 8th.

For the transition phase from May 20th until June 8th, our production and logistics have been temporarily closed. This production and logistics interruption has been necessary to ensure a smooth data migration, the conversion of all processes and interfaces, and thus guarantee a frictionless transition to the new ERP system.

Recap:

a. Since May 20th, 2026 it has been not possible receive goods to our plants in Germany and Hungary as the system transition has been started.

b. If you are delivering via scheduling agreement, unbinding forecast quantities during the time 21.05.2026 – 05.06.2026 had been to be fulfilled already in week 20, 2026.

c. First day of goods receipt after go-live: Monday, June 8th, 2026

Plant separation of Rosenberger Magyarország Kft. ("RoHu")

As you have been informed, with the implementation of SAP, Rosenberger Magyarország Kft. Is operating as independent company with full responsibility of their operation.
